Throughout the past school year, we the members of the "Spindle Staff", have been ardently working to produce a yearbook deserving of the class of '62. We have tried to capture the spirit of the students and the highlights of the year, essential to fond memories. This "Spindle" is the end product of hours of work, the result of a combined effort of faculty and student body whom we sincerely wish to thank, for without their cooperation the publication of this book would not have been possible.

Above all, we wish to extend our heartfelt thanks to our advisor Miss Anna Ryan. She has incessantly given up her time and effort and deserves exceptional praise for her most important contribution.

It is our desire that this book be not only a souvenir, but more than that—a reminder of a happy past during the realization of a happy future.

To the Graduates of 1962

During the years the class of '62 has spent in Lowell High School, the administrators and teachers have endeavored to direct and develop the growth and to focus the talents of its members to full potential. In order to qualify for the challenging opportunities in a broad latitude of fields of accomplishment open to the youth of this decade, each graduate should appraise, with objective imagination, his own latent productive abilities and the specifications essential to his achieving success in his individual procedures for expansion. To enable the establishment of this sense of responsible analysis as a systematic evaluation has been the ultimate aim of our training. That your adaptation to sophisticated productivity will result in a satisfactory use of the humanities and technologies of your generation is our sincerest wish.

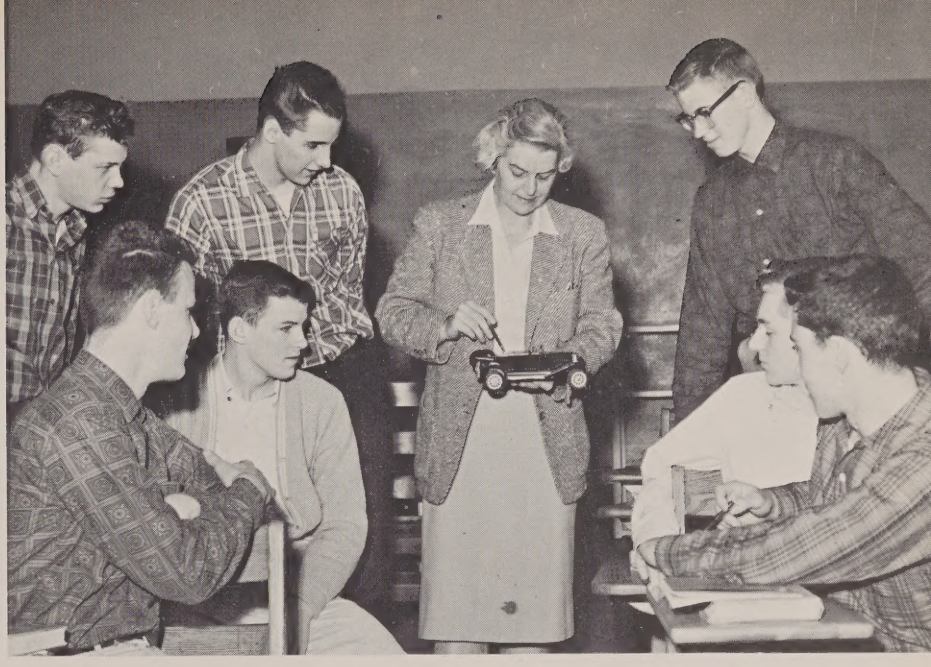
Driver Education and Training



Teen agers make up 7% of all drivers
but caused 11.7% of all fatal traffic
accidents last year!
Encourage Youngsters to drive
SAFELY.

The Driver Education program at Lowell High is truly a credit to our school. Under the able leadership of Miss Rose O'Neil, Mr. L. Wyman Trull, Mr. Raymond Riddick, and Mr. Thomas Grady, the two-part course is given to stimulate an interest in safe driving among our students. The responsibilities of driving are many, and the students learn to what rules and laws of safe driving they should conform.

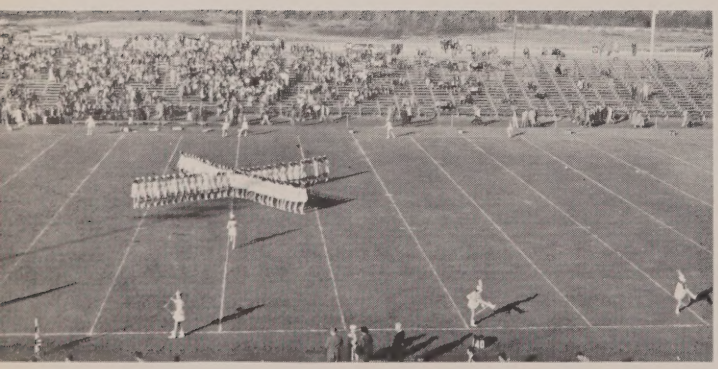
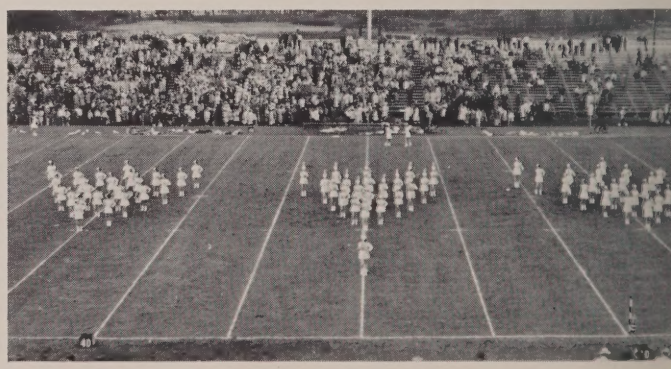
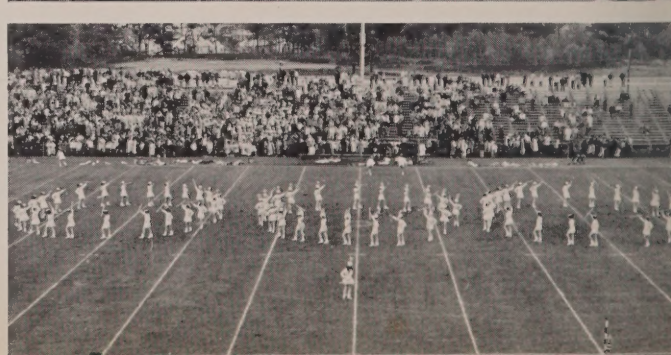
The Leaders

At the game







Each year, the L.H.S. baton twirlers, under the direction of Wilfrid Boulger, put on a spectacular display of well-executed drills and precision twirling at football games and parades, including Field Day, Memorial Day, and Veteran's Day.

Since the fall of 1935, when the group first appeared, they have become one of Lowell High's most popular activities. An asset to their community as well as their school, they are well known not only in Lowell and in surrounding towns, but also have made a name for themselves as ardent competitors and recipients of numerous awards in twirling competitions throughout Massachusetts, Connecticut, Rhode Island and in the National Championship Contest in St. Paul, Minnesota.

These hard working girls practice three times a week, year round. This is undoubtedly the busiest unit in the school.

National Honor Society

The four basic requirement for membership in the National Honor Society are character, scholarship, leadership, and service.

All Juniors with a rank of 90% and in the top 5% of their class, and Seniors in the highest 15% of their class are eligible to be members of this society, which was founded in 1927 by Miss Helen Choate and is carried on today under the able direction of Mr. John Leary.

This year, the members volunteered to usher on Parents' Night. The big project, however, was exchanging letters with students of the Winneba-Ghana Secondary School in Ghana, Africa, where the society also sent records and books, which were donated by department heads.

A most important branch of the society is the debate team, a member of the Greater Lowell Suburban Debate League. Competing in the league are Keith Academy, Billerica, Dracut, Chelmsford, Acton, Boxboro, and Lowell High Schools. Three day-long tournaments were held January, February and April.

The 1962 debate topic was: Resolved that the Federal Government should give grants to the states to equalize educational opportunities in public, elementary, and secondary schools. The Girl Officers have been important in the life of Lowell High and the community from the turn of the century right through to the soaring sixties.

The main function of this organization is to have its members serve as leaders, under the direction of Miss Bawita Lawlor, in the physical education classes. However, their duties and interests do not end there. They are constantly in demand in all important community activities.

This organization is essential in the development of character in every girl who is a member, for during the year they assume responsibility in leadership that will help them in later life.

To attain the coveted commissions, competitive examination is held every June, to select the top seventy-two girls for positions ranging from Colonel to Second Lieutenant. Throughout the year junior girls who hope to join the group anxiously await and prepare for "Try-Out" day. Once they have gained a rating they are ready for the wearing of the traditional blue uniforms with brass buttons and gold chevrons in the Senior Year.

Cooperative Retailing

On the twelfth grade level, the co-operative retailing course is available to seniors who are physically fit and sixteen years of age or older. To qualify for the course, scholarship, attendance, personality, appearance, conduct and interest are considered.

The Co-operative plan of combining in-school training for High School seniors with related practical experience on supervised jobs has been successful. Students are in school in the morning, and during the afternoon are on supervised job placements. Lowell merchants cooperate with the school in providing the training and supervision in the jobs.

Two personnel directors from our local stores interview prospective students at the end of their junior year. Their previous high school record plus the personnel director's rating determine which students are acceptable for employment.

This department is under the supervision of Miss Claire A. Quigley, teacher-coordinator.

Under the supervision of Miss Bertha Desmarais, the club, open to junior and senior girls, meets on the first Monday of every month. Besides looking at slides and listening to guest speakers about various customs and cultures of the European countries, the girls enjoy a Christmas party, and a banquet to complete the year.

Spanish Club

The Spanish Club has been in existence at Lowell High School for many years. Under the direction of Miss Mary V. O'Neil, the members meet one Thursday of every month with the intent of benefiting "Los Aficionados" of Spanish culture and customs. Included in its many activities are: "Pinata" parties, Spanish games, and Spanish meals. Guest speakers come to give interesting information concerning "Espana y Su Civilizacion."

The abilities to read and memorize music, and sing in a pleasing voice are the prerequisites for membership in the Special Chorus.

This Choral Group not only performs at all school assemblies, but at many civic and local functions—such as the Christmas Lighting Ceremony at City Hall and the Naturalization of Citizens Ceremony at the Court House.

This year for the first time, the chorus taped an hour-long Christmas Concert that was sent to the students of Naruto City, Japan, as the official Christmas Greeting from the people of Lowell.

Participation in the Northeastern District Music Festival is a happy annual experience.

Because the Chorus is adjudicated and given a rating, the members are aware of their strong and weak points, and thus can improve their skills. They also can hear other groups, meet and make many friends from other towns and cities.

Their greatest sense of satisfaction and accomplishment is derived through performing for their own classmates and teachers.

In conjunction with the Math Club is the Mu Alpha Theta, the National Math Club. This honorary club is restricted to students maintaining a "B" average in Mathematics.

"The Review" in nine issues has done a fine job keeping the students of Lowell High well informed this year. The editors performing their duties efficiently, became professional "key hole snoopers." Each month "The Review" had greater appeal under the direction of our advisor, Miss Anna Ryan. The staff, headed by Editor-in-Chief Frank Baron, was chosen from the Junior Class at the end of the junior year.

The Review

★ BOY OF THE MONTH ★

"Popularity Plus" is the best description for our March "Boy of the Month," Charles Vail, who resides at 106 Anderson Street with his parents, Mr. and Mrs. Raymond J. Vail. He entered L.H.S. from the Daley School, enrolling in the Commercial Course, as he hopes to become a certified public accountant. Chuck is General of the Boy Officers' Regiment, as well as a member of the L.H.S. football team and the CYO basketball team. He lists his pet peeve as "riding in a car without a radio." His hobbies include skiing, hockey, football, basketball, baseball, and talking to girls. Our charming and talented March "Boy of the Month" will receive a sports shirt with the compliments of Danny Mills.

★ GIRL OF THE MONTH ★

Charming, is the best descriptive adjective for our first "Girl of the Month," Miss Mary Gilman, who resides, with her parents, Mr. and Mrs. Walter Gilman, at 97 Eighteenth Street. Mary, who in her junior year was a cheer leader, now is a Major in the Girl Officers' Regiment, belongs to the C.Y.O., European Culture Club, Science Club, "Review" Staff, and the Lunch Room staff.

Some of Mary's hobbies include swimming, dancing, tennis, music and bicycle riding. She hopes to attend Lowell State College next September, and will receive an orchid with the compliments of Kenney, the florist.

SPORTS

By MICHAEL RYNNE

TRACK

The Red and Gray closed out their season with consecutive wins over Phillips Academy and Lawrence after dropping a lopsided to St. John's Prep.

BASKETBALL

Closing out another rather unsuccessful season, Coach "Sonny" Griffin and his charges ended the season with a 4-14 record. With a few bright spots in the campaign, Lowell came through with two wins in the final four starts. An upset victory over Keith 57-53 and one over Revere 62-49. Two high scoring juniors, Cliff Keck and Pete Trivers, were elected co-captains of the '62 team.

BASEBALL

Captain Walt Nelson and Coach "Stan" Stocklosa are calling organization meetings in anticipation of the coming season. Only a short workout indoors is expected this year, so team members are expected to be in condition when they report. The schedule for the Baseball team is as follows:

Football

In a post-season game, after one of the most successful campaigns ever completed in the past few seasons, the Raiders went South, to meet the "Generals" of Robert E. Lee High in Jacksonville. Our inability to capitalize and the Rebels' constant pursuit gave them a 14-0 victory after a long, hard battle. The front line stalwarts like Larry Begley, Roland Provencher, Bob Harrington, the MacCarthy boys, all left their mark on the South turning in fine games at their respective positions. With the end of football season, elections were held and the captain for the '62 campaign was proclamied. Tom Machado, rugged back and defensive halfback, was elected captain to take the reigns from the hands of former Captain Bill Kouloheras.

Class Ode

The sun will ever shine
Within its bright domain;
Twinkling stars enhance the sky,
There to long remain.

Life is swiftly fleeting
Each moment stands supreme;
Embrace it while it's beating,
Living every dream.

We venture forth this night
To greet the world alone:
Footsteps must not falter,
Hearts must not postpone.

Life is swiftly fleeting
Each moment stands supreme;
Embrace it while it's beating
Living every dream

Lift your goals before you,
Aim for the highest star,
Believe in all your visions,
You can be what they are.
